

**Safety Data Sheet**

Company Details: The Green Life Soil Co.  
ABN: 56 509 847 119

Address: 166 Wilson Road, Middle Swan, 6056

Telephone: 08 9250 4575

E-mail: info@greenlifesoil.com.au

**Description / Properties**

**Product Name:** Blood and Bone™

**Product Use:** All purpose organic fertiliser. When applying this product do not lay in heaps as dogs find the product attractive to eat. Whilst it is not poisonous it may cause some gastric irritation

**Appearance:** Brown fine powder  
**Odour:** Organic

**Hazards Classification:** Not classified as hazardous.

**Other:**

Boiling Point: Not Applicable  
Melting Point: Not Applicable  
Vapour Pressure: Not applicable  
Specific Gravity: Not available  
Flash Point: Not combustible  
Flammability: Not flammable  
Bulk Density: Not available  
Solubility: Insoluble in water  
Chemical Stability: Stable  
pH: Not applicable

**Health Hazard Information**

**Acute:**  
**Swallowed.** Swallowing can result in nausea, vomiting and irritation of the gastrointestinal tract.

**Eye Contact:** May be an eye irritant. Exposure to the dust may cause discomfort due to particulate

nature. May cause physical irritation to the eyes.

**Skin Contact:** Contact with skin may result in irritation

**Inhaled:** Material may be an irritant to mucous membranes and respiratory tract.

**Chronic:** This material has been classified as non-hazardous

## Emergency and First Aid Procedures

**Special Fire fighting Procedures:**

**Suitable extinguishing media:** If material is involved in a fire use water fog (or if unavailable fine water spray), alcohol resistant foam, standard foam, dry agent (carbon dioxide, dry chemical powder).

**Specific hazards:** Non-combustible material

**Fire fighting further advice:** Not combustible, however following evaporation of aqueous component residual material can burn if ignited.

**Poisons Information Centre:** **13 11 26**

**Swallowed:** Rinse mouth with water. If swallowed, do NOT induce vomiting. Give a glass of water to drink. Never give anything by the mouth to an unconscious patient. If vomiting occurs give further water. Seek medical advice.

**Eye:** If in eyes wash out immediately with water. In all cases of eye contamination, it is a sensible precaution to seek medical advice

**Skin:** If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If swelling, redness, blistering or irritation occurs seek medical assistance.

**Inhaled:** Remove victim from exposure - avoid becoming a casualty. Remove contaminated clothing and loosen remaining clothing. Allow

patient to assume most comfortable position and keep warm. Keep at rest until fully recovered. Seek medical advice if effects persist.

First Aid Facilities: Eye wash and normal washroom facilities.

Advice to Doctor: Treat symptomatically.

## Precautions for Use

- Special Precautions: Use in a well ventilated area. Keep exposure to dust as low as practicable. Where ventilation is inadequate and dust is generated the use of an air purifying Respirator with filter complying with AS/NZS1715 and 1716 should be worn.
- Eye Protection: The use of safety glasses with side shield protection or chemical goggles which comply with AS/NZ1336 is recommended.
- Hand Protection: Wearing gloves of an impervious material is recommended.
- Exposure Limits: No exposure standards have been established for this material, however the available\* exposure limits on ingredients are as follows:  
Quartz TWA 0.1mg/m<sup>3</sup>  
Cristobolite TWA 0.1mg/m<sup>3</sup>  
(\* National Occupational Health & Safety Commission Australia)\

## Safe Handling Information

- Handling: Ensure a high level of personal hygiene is maintained when using this product. Always wash hands before eating, drinking, smoking or using toilet facilities.
- Spilled Material: Vacuum, sweep or mop up spilled material. Dampen spilled material with water to avoid generating airborne dust. Seal all waste in labelled containers for subsequent recycling or disposal, in accordance with local authority guidelines.

Storage and Transport:

Not classified as a Dangerous Good.  
Store in a cool, dry, well ventilated area.  
Avoid generation of dust.

Important Notice: This Safety Data Sheet (SDS) is issued by The Green Life Soil Co in accordance with Worksafe Australia guidelines. The information contained therein is based on data which, to the best of our knowledge, was accurate and reliable at the time of preparation. No responsibility can be accepted by us for error or omissions. Since we cannot anticipate or control the many different conditions under which this information and our product may be used, each user should review these recommendations in the specific context of the intended application and undertake your own risk assessment in relation to your method of handling and proposed use of this product. The Green Life Soil Co accepts no liability whatsoever for damage or injury caused from the use of this information or of suggestions contained therein.
